Hi everybody –

A few updates here:

- You should have received the invite for 10 o'clock tomorrow morning by now; if you haven't, please let me know. It's showing as you being invited on Michal's calendar – but we've been having some issues lately.
- Tala is opting not to raise the **TRI PFAS listing** issue tomorrow at the general – and would appreciate you guys raising with her at one of your next opportunities for more discussion within OPPT.
- Tala would also appreciate a reminder on what she has (versus hasn't) reviewed previously on the **TRI Parent Company Rule**. I know you guys are planning to send up the package some time this week – but if you could provide a reminder/little bit of insight before tomorrow's general, she'd appreciate that too.

Sorry, I hadn't yet emailed you yet – Alison confirmed this morning that the meeting was moved to tomorrow – I'm not yet sure of the timing, but we will likely be receiving an invite before long.

Hi Alison and Xiah,  
Is this week's OPPT General still happening today, with the below agenda items? I don't believe we've received the invite yet, so wanted to flag ahead of 10am...  
Thanks!  
Steph

Alison, Xiah,

Here are the updated bullets. It'd be great to include Larry Reisman, David Widawsky, Stephanie Griffin, Virginia Lee, Daniel Bushman, and me.

You are on our list! Thanks, Dave.

Just pass up your list of who you'd like to have invited to that general when you have a chance. Not urgent, of course; when the new bullets come up should be fine.
